

Want to try one of the fastest growing sports in the world?

On Wednesday afternoons between 5 and 5.45 PM {starting 30/9/15 until Christmas}, Australian Representative Players will be passing on their knowledge and skills to upcoming junior players at Broadmeadow Basketball Stadium. The sessions will begin with some basic skills tuition and finish with a fast-paced, action-packed game. No experience is necessary and all equipment will be provided by Newcastle Floorball Association. We hope to conduct a competition for junior players in the future but it is important that we initially build an adequate player base. We are targeting children between the ages of 7 & 12 for this program, however all children are invited to attend. The cost of the sessions will be \$3 per child to help cover court hire at the venue. Newcastle has teams competing in the NSW Elite Series & Australian Open Championships and proudly boasts a number of Men / Women Australian Representatives competing at World Championships.
