

# Coffs Harbour Newsletter # 4, 2016

## Silver Anniversary Tour

Well the time is fast approaching when we will be leaving Newcastle for that exhilarating trip north to on this year's Tigers 2016 Coffs Harbour Tour, note the big word in the first sentence that's because it's also a "Nostalgia Tour" and I'm being channelled by Don. The Queenslanders from Commercial's Hockey Club are coming in numbers and strength, well so Bruce tells me, though I do take some things from Bruce with a grain of salt as it was Don who told me that it was Bruce who got the weekends mixed up, several years ago. Obviously, Bruce tells a slightly different story.

The numbers are coming together now and the bus is starting to fill fast as we get closer to the date of the trip so remember you're not on the trip till you pay a deposit. Al made me aware last weekend that Craig Wood the bus driver has a new bus which appears very swish so we will be touring in comfort this year, though the bus was never people at the Nationals in going to be the issue. The issue, if there is one, is that there is only room for 30 accommodation in Coffs due to it being the same weekend as the Oztag Coffs Harbour. Therefore, we need your deposit to book your spot on the bus.

We have a couple of old centre forwards on the trip this year with their sons, no doubt the sons are coming to do the running during the game. Unfortunately, we will be without one of the recent stars in our team, yes Steve Trickett not Al as he is still working over in WA and can't manage get the company to organise his roster around the Coffs Hockey Trip, poor form I would have thought. We will just have to have beers at his local watering hole in Freddo without him, bad luck on this occasion Steve.

It appears that the A, B, C clock is ticking for the last time so it must be time to be "**Annoy**" to everyone, although some "may" say it comes naturally to me. Here we go:

### A. = annoy

Someone once joked that if anything lucky ever happens to you, friends in order to **annoy** them.

Well don't worry about annoying them, Harbour.

don't forget to tell your

to bring your friends along to Coffs

We **depart**: Newcastle Hockey Centre at 10.00am 14<sup>th</sup> October 2016

We **return**: Around 8.00pm 16<sup>th</sup> October 2016 to the Hockey Centre.

### B. = badger

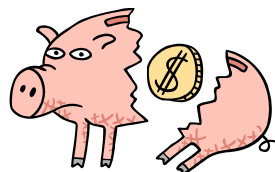

### C. = cajole

Therefore, you'll be lucky enough to be on the bus by just placing a **\$200 deposit or even \$100** if you can't \$200 at this stage, as a down payment into the Greater account below. I'd like to know who is coming by the 31<sup>st</sup> August 16 as most of the payments are well before we depart and also the bus is filling up. Don't forget the **full price is \$ 450**.

**The Greater Bank Account: Tigers - Coffs Trip**

**BSB - 637000**

**A/C number – 720797682**

**Please include your name on the deposit.**

**Further, it would be great if you could also send me an email to [cath\\_col53@yahoo.com.au](mailto:cath_col53@yahoo.com.au) once deposited.**

**Apprentice: Col** – note the newsletter is still down to one page so I surprised myself, anyhow all feedback gratefully accepted, well maybe not gratefully. I told you earlier I was channelling Don!
